Simplified Licence

The Simplified Licence allows you to make or receive web, digital (e.g. scan, email, PDF) and paper copies from all newspapers, magazines and websites represented by NLA media access. A list covering all of our publications can be found at www.nlamediaaccess.com/title-search

This licence is designed to be flexible and easy to understand. There is no need to specify how many titles you are copying from and you won't be charged per user or per copy. There are four levels to choose from and fees are calculated by means of simple usage bands.

Three factors determine your fee:

1. Licence level

Choose bronze, silver, silver plus or gold.

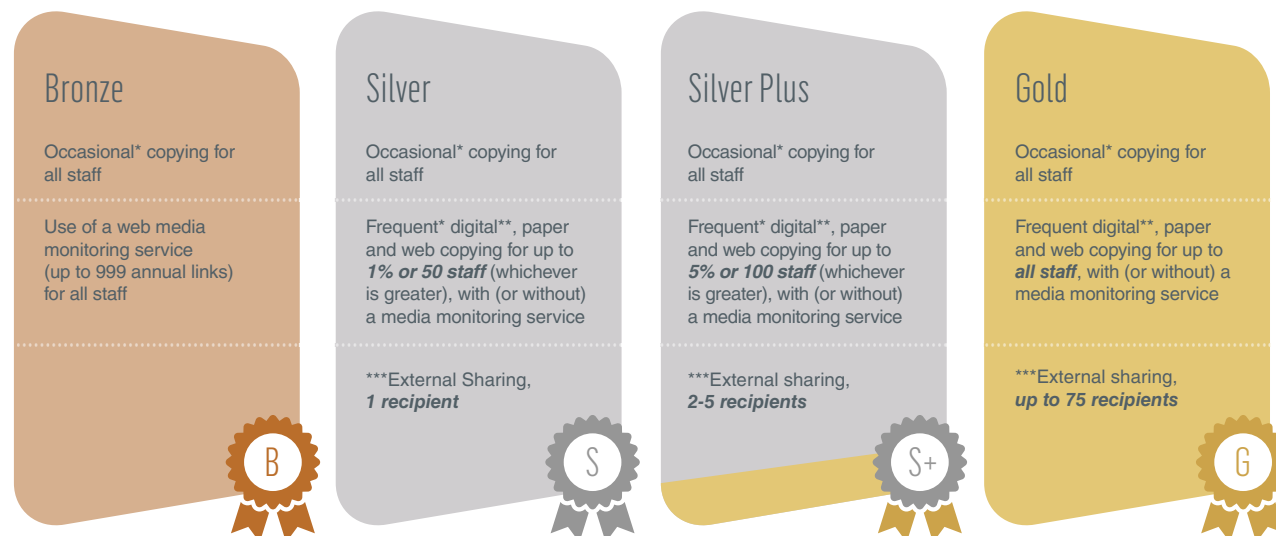

2. Quantity

Choose low, medium, high or very high.

3. Staff band

Choose your band from the price table.

Step 1. Licence level

Step 2. Choose your quantity

The numbers below indicate unique articles and links copied per year (this includes paper, digital and web articles).

Frequency	Minimum cuttings	Maximum cuttings
Low	0	999
Medium	1,000	9,999
High	10,000	99,999
Very High	100,000	-

Step 3. Choose your staff band

Now you can find your licence fee by choosing the staff band for your organisation, in the table overleaf.

Notes:

*Refer to "Occasional" and "Frequent" definitions in the terms and conditions
** Digital versions of print articles (e.g. scan, email, PDF)

*** An external recipient is defined in terms and conditions as one that provides a professional service to the licensee

N.B. NLA does not license non-UK users of web media monitoring services, so please exclude any such users from your recipient numbers when selecting licence level.

Worked example

A charity with 95 staff, receives content from a 3rd party media monitoring organisation (1,800 digital cuttings of print material and around 2,300 web links annually), and shares it among 10-15 staff regularly. They also share some content with one person externally (at their PR agency). This puts them in Silver level (fewer than 50 staff view the material), and Medium quantity (between 1,000-9,999 articles are shared), with an annual fee of £3,016 +VAT.
