More than 200,000 employees	£298.23	£994.10

If a licensee wishes to copy from specific foreign titles by name, (or select other specialist titles by name rather than including them in banding) these will be charged per title at the above rates . Premium magazine titles can also be added, with the per title rate on the right hand column. (Premium magazines are categorized as those with a high subscription price, of over £500 per year)
