**ANNUAL TRANSPARENCY REPORT**

**FINANCIAL YEAR – 2024**

## **NLA MEDIA ACCESS ANNUAL TRANSPARENCY REPORT for the financial year 2024**

This 'Annual Transparency Report' is produced in compliance with the provisions of the ['Collective Management of Copyright \(EU Directive\) Regulations 2016'](#) (reference regulation 21).

### **NLA Overview**

NLA Media Access Limited ('NLA') represents: publishers of printed newspapers and magazines and their associated websites; newsfeed material as used by the media monitoring organisations; independent websites offering news and current affairs content. NLA licenses the copying of publishers' content by media monitoring organisations ('MMOs') and end user organisations. Publishers can elect which rights they mandate NLA to manage, and the rights granted dictate which of the NLA licences their content is included in. Details of the licences offered to MMOs can be found [here](#) and end user organisations [here](#).

NLA additionally processes content from the major publications it represents and holds the articles in a database (known as ['eClips'](#)), which enables it to supply data efficiently to media monitoring agencies for their services to their clients

Please see [www.nlamediaaccess.com](http://www.nlamediaaccess.com) for further information on NLA.

### **Transparency Report Information**

#### **a. Financial statements**

A copy of NLA's Report and Financial Statements for the year ending 31 December 2024 can be found [here](#).

#### **b. Report on NLA activities**

Please see NLA's Report and Financial Statements for the year ending 31 December 2024 which can be found [here](#).

#### **c. Refusals to grant licences**

NLA Mandates set out the specific rights that are granted to NLA by its publishers. There were no instances of NLA refusing to grant a licence where NLA has the necessary rights from its publishers and offers a licence.

#### **d. Legal and governance structure**

NLA is a private limited company limited by shares (company no. 03003569), owned by 7 national newspaper groups (Associated Newspapers Limited, The Financial Times Limited, Guardian News and Media Limited, Independent Digital News & Media Limited, MGL 2 Limited, News Corp UK & Ireland Limited, Telegraph Media Group Limited).

NLA's supervisory body is its board of directors which include a representative from each of its shareholders and representatives for regional newspaper publishers, magazine publishers and special contributors. Details of NLA's Directors can be found within its Report and Financial Statements and on our website [here](#). Board Meetings are held at least once per quarter.

A copy of NLA Membership rules can be found [here](#) and its Articles of Association [here](#) which include information as to the form of the NLA Board and the right to representation.

e. **Entities directly or indirectly owned or controlled by NLA**

NLA wholly owns a dormant company 'The Newspaper Licensing Agency Limited' (company no. 03563061) (which has never traded and exists in order to preserve the former name of NLA).

f. **Remuneration paid to persons operating NLA's management and supervisory functions**

Please refer to notes 7 and 21 of NLA's Report and Financial Statements for the year ending 31 December 2024.

g. **Amounts deducted for the purpose of social, cultural and educational services**

In 2024 NLA contributed £100,000 to the [Journalism Diversity Fund](#), the aims of which are to encourage and support people from ethnic and socially diverse backgrounds to train as journalists. The fund is administered by the National Council for the Training of Journalists (NCTJ).

h. **Rights revenue for each category of rights managed and type of use**

According to the CISAC categories, the works that NLA represents (newspapers, magazines, newsfeeds and news/current affairs websites) fall into the 'Literature' group.

NLA licenses rights to two main categories of user – media monitoring organisations (MMOs) and end user organisations. NLA MMO licences can be divided into print and web copying, and end user licences into print copying, web copying and the copying of content onto corporate websites. NLA additionally received revenues from overseas RROs.

An analysis of the revenues derived from each type of use is set out in Appendix A.

**h(i)(ii) Income from investment of rights revenue**

NLA's current practice is to report to, and pay, its right holders on a monthly basis (except for RROs where it reports annually). NLA does not hold any undistributable royalties. The only investment income it therefore earns is bank interest on money held on deposit pending distribution – in 2024, the interest earned was £54,241 which was retained by NLA as working capital.

i. **Cost of rights management and other services provided by NLA**

The financial information on costs is set out in Appendix B.

j. **Amounts due to rightholders**

As shown in Appendix B, during 2024 NLA attributed £55.9m licensing royalties to its right holders. After deduction of the NLA retention, £47.1m was distributed to right holders. Information as to NLA's distribution policy is set out in the ['NLA Royalties Charter'](#).

NLA makes monthly distributions of royalties and does not hold any unattributable sums.

k. **Relationships with other collective management organisations**

A breakdown of the available financial information regarding NLA relationships with other CMOs is set out in Appendix C.

NLA did not distribute any amounts directly to right holders of other CMOs.
